V1, C1, V2, C1, B, C1, C2

## Verse 1

The world floods fear in me  
Drowning in disbelief  
Why do I soon forget  
Where all my needs are met

## Chorus 1

Lord you're my anchor who stirs the seas  
Yet calms the waves that roar in me  
You laid the foundation where hope abounds  
And place my feet on solid ground  
You anchor me

## Verse 2

God use the storm within  
Rescue my life again  
You're here when I face the sea  
And now I am set free

## Bridge

Lord our rock, Lord our God  
We pursue Your righteousness  
Hold us fast, Hold us sure  
You're the anchor of our soul

## Chorus 2

Lord you're my anchor who stirs the seas  
Yet calms the waves that roar in me  
You laid the foundation where hope abounds  
And place my feet on solid ground  
You anchor me
